Founder's Profile

I am currently working as Finance Analyst in Accenture.

With a passion of doing something good for the society I am helping job seekers, since 2014 when was in his CA training, in getting the right jobs and connecting them with the right organizations. I founded getplace on 18th June, 2018 to standardize this process so that I can help more and more candidates in getting their dream job at earliest.

I have helped more than 1000+ job seekers in getting their jobs and placed almost 200+ candidates on my own. I have trained more than 2000+ candidates in their professional life through my various webinars/seminars and live coachings.

I am a CA Final student and has experience of more than 5 years in various domains such as Accounts, finance, taxation, marketing and Recruitment. I have done my CA Training from D S R V & Co. LLP (Chartered Accountants) Gurugram. I have been speaker on different subjects in various conference. He is a trainer and motivational speaker.
